Today at church: Heaven Is Being Close to God (Rev. 20–21)

That's what heaven is: close to God, safe with God, happy with God — the best thing there is, forever and ever.

Ask at home: "What is heaven?" (Being close to God, forever!)

A prayer for bedtime: "God, thank you that heaven means being close to you forever. I want to be close to you now, too. Amen."
