The idea

Each child designs a "seal" — a small mark or badge showing they belong to God.
Stickers on hands work well for younger children in the group.

Today at church: God's Army (Revelation 7)

Ask at home:

1. What surprised you about God's army?
2. What is the difference between winning a fight and outlasting somebody?
3. Has anyone ever been unkind to you for something that wasn't your fault?

Prayer: Thank you, God, that you have marked us as yours and that nobody can undo it. Thank you that your army fights by loving. Help us not to hate people back. And thank you that one day you will wipe our tears yourself. Amen.
