

New Heaven and New Earth

You need

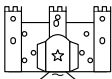

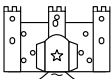

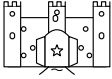

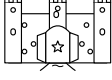

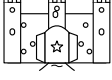

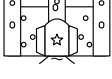

scissors, glue, print on card if you can

The idea

Build a cube from paper or blocks and talk about the Most Holy Place. Or draw the city with a river running through the middle and a tree on each bank. Cut out, fold along the lines, glue the tabs.

Today at church: New Heaven and New Earth (Revelation 21–22)

Ask at home:

1. Why do you think heaven is a garden *and* a city?
2. What does it mean that God moves in with us, instead of us moving out to him?
3. The book ends with "come." Who would you like to bring?

Prayer: Father, thank you that the ending is you living with us. Thank you that you make everything new instead of throwing it away. And thank you that the last word of the whole Bible is an invitation. We would like to come. Amen.
